Chairman's update:

Thank you to everyone for volunteering for the Committee. Success would look like a lot of people doing a small amount of work rather than vice versa as this is more sustainable. Part of what we should be doing is persuading others to help across juniors, seniors and umpiring.

Child protection officer – Nia has spoken to Alan who has agreed to do this again this year.

Website: Geraint will meet Street shortly so that we can visit Andy soon to see about some updates to the website such as committee, CPO, procedure for reporting events, constitution and possibly a members area where we can publish AGM and monthly committee meeting minutes, guidance for kit, training details. We should see about adding captain's contact details.

GMS – Street to liaise with Darren to sort out GMS

Charlotte to email Jane Price about Geraint as new chairperson and Nia as vice chairperson.
