

March 2025 Committee meeting minutes

Attendees :

Geraint, Nia, Street, Joost, Elinor, Bryony, Annabel

◆ Chairman's Address : No major announcements

◆ Treasurers Update: £32,490 in account

Joe has sent off the application to change the details of the current account, some queries have been raised which Joe is sorting through & he has reached out to Peter to take him off of the account.

◆ Men's Update :Men are currently top of the league and could win the league if they win the next match. Possible promotion!

Some juniors are finding the men's match a bit stressful with the conflicting messages on the pitch and if they are ready, bridging the gap between juniors and men's is a bit more difficult and will become harder if the men get promoted next season. We need to think about how to improve this

✎ Action : Street to reach out to men's players to understand if there is commitment from the men to have 22 players available each week, if we do then we as a committee will make the logistics work

✎ Action : El & Hen to speak to over14s to try and promote summer hockey for them to get a taster for senior hockey

◆ Ladies Update : 3 more matches to play, moral is high but injuries are higher! Lots of positive energy for the end of the season

◆ Junior Update: We have been granted £2,782 for 1 goalie kit, cones & courses, massive well done to Hen

End of season presentation has been planned for 3rd May

✎ Action : Annabel to provide Hen with a copy of our hockey wales affiliation

◆ Website :Recommendation would be to create a new website utilising Elinor's help with setting up the new website and utilising the help of Andy for the technical bits. This is also Andy's preferred approach

Key here is the ability to update it in the future, website needs to be easy to update, Elinor to work with Andy to do this

✎ Action : Write a specification for the website over WhatsApp for the next month, this will provide Andy & Elinor with a clear specification for the website build

Andy has been paying for hosting the website, as a recognition from the committee we would like to give a token gesture of recognition.

✎ Action : Committee to think of a gift to give Andy over the next couple of weeks

◆ Pitch :

Trevor has had an update to suggest pitch will be September 2026, just keep in mind how we keep involved in this

◆ Men's incidents: There has been multiple incidents recently involving Ben Samuel

- Conversation around bias umpires
- Incident at a match with poor behaviour whereby the opposition are going to put a complain in

Plan of action, write a letter of suspension pending a disciplinary enquiry.

 Action : Annabel to write a letter of suspension, send letter around committee

◆ EOSD :

Constitution update to be discussed next meeting, to include the possible inclusion of communication officer

EOSD date currently being finalised

 Action : Elinor to create a save the date

 Action : Nia to ring kings arms

◆ Umpires :

Keep umpires going, need to find out when the next course is so we don't miss the opportunity to get more into the pipeline

Great progress so far, confidence is growing and hopefully we can get Beth and Jo assessed soon
